ALL-COUNTY LETTER NO. 75-52

TO: All County Welfare Directors

SUBJECT: MIL Monitoring

REFERENCE: All County Letter #74-156 - Monitoring of Mandatory SSP Cases

As counties have been informed through the CWDA and other informal means, the implementation of the Minimum Income Level (MIL) Monitoring procedures for mandatory SSP cases was postponed due to the Social Security Administration's inability to process any county input of MIL data and because of unresolved policy issues related to the monitoring process.

As soon as these problems are resolved, regulations will be issued and the monitoring process will proceed. Every effort will be made to provide counties with adequate notice of the rescheduled implementation.

Questions concerning this letter should be directed to the Adult Program Management Branch at (916) 445-0813.

Sincerely,

DENNIS O. FLATT  
Deputy Director
